

ABOUT | THE 482 COLLECTIVE

The 482 Collective is an innovative registered charity in the City of Vaughan—actively re-imagining how we help people who are bravely struggling to make ends meet after fleeing intimate partner violence or human trafficking. We provide timely support of essential items such as food, personal hygiene products, cleaning supplies, home essentials, and more—**taking the time to listen closely to what our clients need, not what we think they need.** Many of our clients are living in shelters, in their cars, or moving into government housing far from familiar support systems. They lack basic essentials like kitchen tools, so we will deliver the pasta *and* the pot; the lamp *and* the lightbulb; the sheets and quite frequently, the bed. All items are delivered at no cost, directly to survivors of trauma and abuse. We also provide equitable access to mental health support and life skills through our SAGE program and work with corporate partners, individuals, and community organizations to harness the power of thoughtful, collective giving.
